

## **NOVAtime Successfully Completes Integration for Ellucian Banner and Colleague in Partnership with Ellucian**

*NOVAtime Technology, Inc. is proud to announce that a web API integration has been successfully completed for NOVAtime's Workforce Management / Time & Attendance system and Ellucian Ethos, an integrated platform for Ellucian's various services to support Ellucian Banner and Ellucian Colleague, the world's leading higher education ERP.*

RANCHO CUCAMONGA, Calif. ([PRWEB](#)) December 28, 2017 -- Rancho Cucamonga, CA December 28th, 2017-NOVAtime Technology, Inc. (<http://www.novatime.com>), a leading provider of Workforce Management / Time & Attendance, is proud to announce that it has successfully completed the "person" integration between its system and Ellucian Banner and Ellucian Colleague, further increasing the value of NOVAtime's partnership with Ellucian for higher education institutions.

[Ellucian](#), the premier provider of solutions and services tailor made for higher education, has partnered with NOVAtime since 2015. Now with the completion of integrations between NOVAtime and both Ellucian Banner and the Ethos Platform, higher education institutions can feel secure that they can seamlessly integrate NOVAtime's best-of-breed Workforce Management / Time & Attendance solution into their existing Ellucian eco system with no fear of clunky, complex data transfers or system errors.

"With these integrations, NOVAtime is thrilled to be strengthening our relationship with Ellucian. The combination of Ellucian and NOVAtime as a seamlessly integrated system offers higher education institutions a compelling package that is sure to improve their ROI without excessive technical concerns that untested integrations may bring." Said Brian Harris, VP of Client Services.

NOVAtime has attended Ellucians annual user conference, Ellucian Live, for the past two years, as one of only three Workforce Management software providers. NOVAtime looks forward to continuing its partnership with Ellucian and continuing to offer higher education institutions the benefits of its Workforce Management / Time & Attendance system in combination with Ellucian software.
